Profile

Ashley graduated from the University of New South Wales with a Bachelor of Landscape Architecture in 2009. At the completion of her degree, Ashley began working as a Project Landscape Architect with Moir Landscape Architecture Pty Ltd. Ashley has worked closely with senior staff on a variety of projects which has given her experience working from a conceptual phase through to documentation and construction.

Ashley has experience working on a wide range of Landscape and Visual Impact Assessments, Public Domain and Urban Design Projects, and Environmental Planning Projects.

Experience

Landscape Architect, Moir Landscape Architecture P/L May 2010-Present
