Profile

Dean is a Graduate Landscape Architect and a recent addition to Moir Landscape Architecture Pty Ltd. Since joining Moir Landscape Architecture in November 2015 Dean has been working in collaboration with senior staff in the design and documentation of a variety of projects. In conjunction with his professional experience with Moir Landscape Architecture Dean has completed an apprenticeship as a Landscape tradesman and has a range of experience in both construction, horticulture and project management, predominantly at a residential scale.

Areas of interest include urban revitalisation, ecological remediation, horticulture and the public domain.
